

# Fax order form for free SimaPro Faculty license

Educational institutes in non-OECD countries can request a free 12 months SimaPro Faculty license. The Faculty license is a single user version that can be installed on multiple computers of students and staff within your department. The Faculty license also includes the ecoinvent v3 database, including access code for the ecoinvent web site ([www.ecoinvent.org](http://www.ecoinvent.org)).

## Specific conditions for the free non-OECD SimaPro Faculty license:

- The SimaPro Faculty license is provided free of charge to educational institutes in non-OECD countries only, upon sending this signed order form.
- Delivery is done electronically (via download/email). The user will make sure the registration code or ecoinvent access codes are not distributed outside his/her organisation.
- The software and database are only to be used for educational purposes. Use in paid research projects, or in projects in OECD countries is not allowed.
- After 6 months the software will expire and run as a demo version. The software can be revived by requesting a new Faculty license. The ecoinvent access codes will be renewed after one year.
- Support is only given to the named contact person on this order form.
- PRé Consultants has the right to refuse a free license if there are any suspicions of abuse, and can withdraw or change the offer for a free SimaPro Faculty license at any time.

## License agreement and signature

Yes, I want to request a free 6 month SimaPro Faculty license with ecoinvent v3 database license. I have read the SimaPro End User License Agreement (EULA) and Service Level Agreement (SLA) for SimaPro software licenses released May 29, 2015, the specific conditions for the use of the free Faculty license, and the ecoinvent database conditions. I fully understand and agree with these conditions. I declare that the licenses will ONLY be used for educational purposes by students and staff registered at our faculty. **Indicate the start date of the license:**
